

**BEFORE THE COURT OF ELECTRICITY OMBUDSMAN,
JHARKHAND
4th floor, Bhagirathi Complex, Karamtoli Road, Ranchi – 834001
Case No. EOJ/02/2009**

Thakur Chandra Bhushan Singh Vrs. JSEB & Others

25.08.2009 Sri. K.K.Singh, advocate is present for the appellant. Sri. Rajesh Shankar, standing counsel assisted by Sri. Abhay Prakash, additional counsel appears for the respondent Board.

Heard the learned counsels for both the sides and perused the record and calculation chart submitted by the respondent JSEB in the affidavit filed on 17.08.09.

On perusal of the chart submitted by the respondent JSEB, there appears nothing to show that any amount has been left to be adjusted in the future bill of the petitioner and it appears that all the grievances of the petitioner stand redressed and the order of the VUSNF has been implemented for which this case was filed by petitioner Sri. Thakur Chandra Bhushan Singh.

The learned counsel of the petitioner has further submitted that the recent bill submitted by the respondent goes to show that the load has been enhanced from 1KW to 5KW to harass the petitioner .But the learned counsel of the respondent has submitted that the petitioner had taken three phase connection and according to JSERC Tariff Order 2003-04, it will come under DS-111 and as such there is no illegality in it.

I also find that the petitioner should not have any grievance in view of the aforesaid tariff order of JSERC 2003-04.

Thus, the grievance of the petitioner is now well settled and there appears no grievance of the petitioner and as such this application and case of the petitioner stands disposed of. In the facts and circumstances of this case there is no order as to cost.

Let a copy of this order be sent to both the parties.
